FIRST ONLINE YAYASAN PENERAJU CARNIVAL

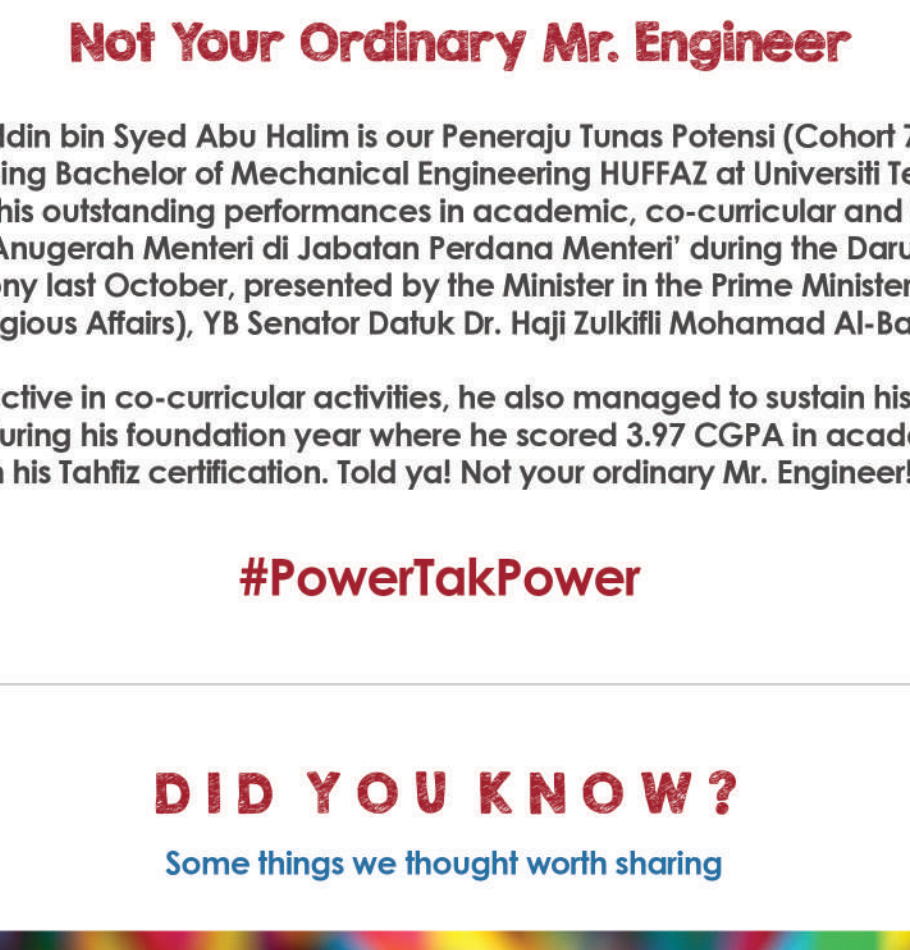

Online event is the new trend! For the 7th year after our first Yayasan Peneraju carnival, we tried our best to appreciate and gather our scholars from all over Malaysia through our very first online carnival! Approaching a "How Well Do You Know Yayasan Peneraju?" concept and theme, we 'tested' our scholars, programme partners, pledgers and even the public on their knowledge about us through a crossword puzzle game!

TRIVIA:

For a first timer, over 700 participants took part in this competition!

Not Your Ordinary Mr. Engineer

Syed Shaahyiddin bin Syed Abu Halim is our Peneraju Tunas Potensi (Cohort 7) scholar who is currently pursuing Bachelor of Mechanical Engineering HUFFAZ at Universiti Tenaga Nasional (UNITEN). With his outstanding performances in academic, co-curricular and tahfiz, he was awarded with 'Anugerah Menteri di Jabatan Perdana Menteri' during the Darul Quran JAKIM Award Ceremony last October, presented by the Minister in the Prime Minister's Department (Religious Affairs), YB Senator Datuk Dr. Haji Zulkifli Mohamad Al-Bakri.

While being active in co-curricular activities, he also managed to sustain his outstanding performance during his foundation year where he scored 3.97 CGPA in academic and 4.00 in his Tahfiz certification. Told ya! Not your ordinary Mr. Engineer!
