< THE FOUNDER OF 'PANDAI' APP!

One of the **alumni of Peneraju Professional Data Scientist** programme, Khairul Anwar was interviewed by Bernama Radio to talk about his very own educational **mobile phone application called 'Pandai'!**

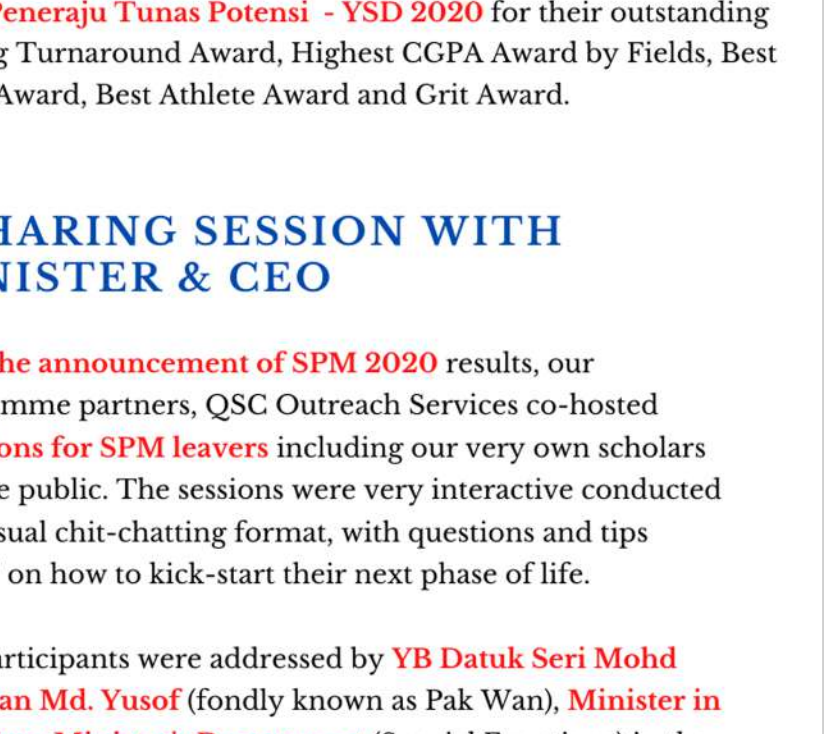

Also present was one of our very own Yayasan Peneraju programme leads, Ahmad Azizi, to share on the technology-related programmes offered by Yayasan Peneraju.

Throwback

VIRTUAL 'THE RISING STAR AWARD 2021' >

The 5th instalment and the **1st to be held virtually!**

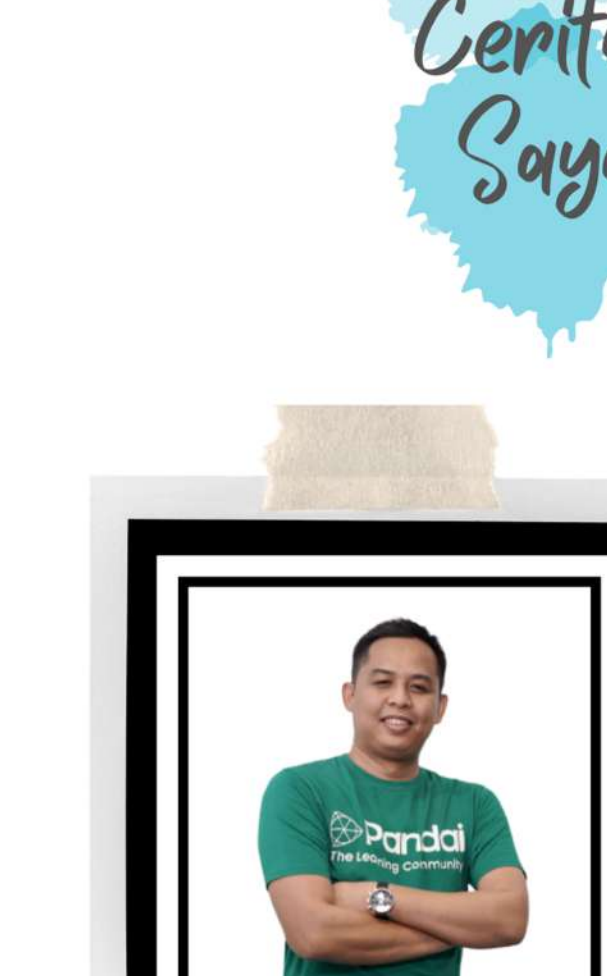

TRuST is an annual event organised by our programme manager, Metropolitan Corridor to recognise the accomplishments of Yayasan Peneraju's Tunas Potensi graduates from various institutions. For 2021, TRuST21 celebrated **249 Peneraju Tunas Potensi & Peneraju Tunas Potensi - YSD 2020** for their outstanding performances. The awards presented include Amazing Turnaround Award, Highest CGPA Award by Fields, Best NDP Award, Outstanding Co-Curricular Recognition Award, Best Athlete Award and Crit Award.

< SHARING SESSION WITH MINISTER & CEO

With the announcement of **SPM 2020** results, our programme partners, QSC Outreach Services co-hosted **2 sessions for SPM leavers** including our very own scholars and the public. The sessions were very interactive conducted in a casual chit-chatting format, with questions and tips 'flying' on how to kick-start their next phase of life.

The participants were addressed by **YB Datuk Seri Mohd Redzuan Md. Yusof** (fondly known as Pak Wan), **Minister in the Prime Minister's Department** (Special Functions) in the 1st session and the 2nd, by **Ts. Mohd Muzzamil Ismail**, **Yayasan Peneraju's CEO**.

#Ini Cerita Saya

#IniCeritaKhairul

Being passionate about something is one of the motivations that drive this **Peneraju Professional Data Scientist alumnus** to be successful in his own way.

Khairul Anwar Mohamad Zaki is the **founder and CEO of Pandai Education Sdn Bhd (Pandai)**, an **education technology start-up** that helps primary and secondary school students learn and get better grades in school.

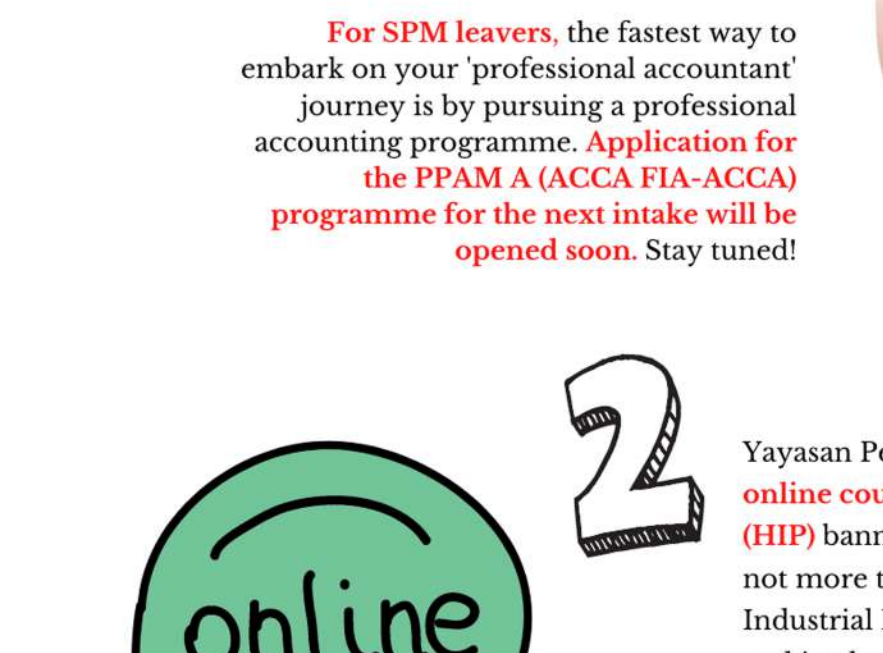

Khairul and his team developed the app after **winning the Bumiputera Entrepreneurs Startup Scheme (SUPERB) programme by TERAJU**. Pandai offers academic assessments and content aligned to the national curriculum, with personalisation and gamification elements.

Pandai was **launched in January 2020**, just before the education environment got severely disrupted by the COVID-19 pandemic when students were suddenly expected to learn from home, and teachers and parents had to find alternative ways of teaching. Pandai managed to **fill the gap with an innovative solution at the right time**.

Pandai **won a grant from the Islamic Development Bank**, a global international Islamic financial institution based in Jeddah, and recently **received investments from Silicon Valley investors**.

Since being launched in January 2020, Pandai has **helped 248,356 Malaysian students practice and complete 67,857,312 questions**.

Khairul shared that the students love the gamified quizzes, while the parents love the diagnostic tools that allow them to monitor their kid's progress and improvement. To try out Pandai for free, visit **www.pandai.org**.

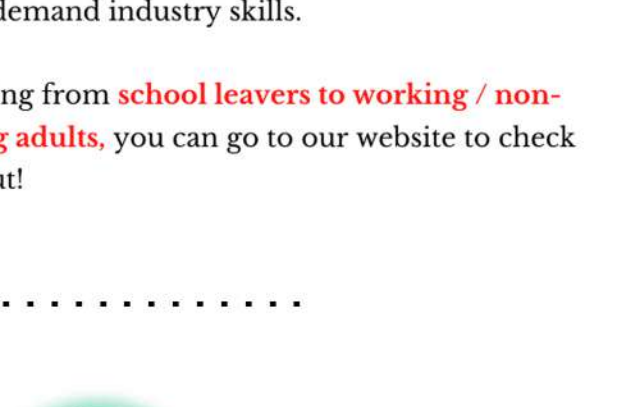

Did You Know?

1

According to the Institute of Labour Market Information and Analysis, **accountants are currently the fourth most in-demand professionals in Malaysia**, which listed them in the top five hottest jobs in May 2021.

For SPM leavers, the fastest way to embark on your 'professional accountant' journey is by pursuing a professional accounting programme. **Application for the PPAM A (ACCA FIA-ACCA) programme for the next intake will be opened soon**. Stay tuned!
