B. SPONSORSHIP

1. What is the funding model* of this programme?

A one-off **RM1,500** advance assistance will be provided to the scholars upon confirmation of the programme enrolment.

Funding will be on a **reimbursement** basis where scholars will fund the costs associated with their certification upfront and will be reimbursed **upon passing of each part/examination.**

Reimbursements will cover the following:

- Tuition/preparatory course fees (if any) and study material costs**, based on a set amount allocated under each programme.
- Examination/professional fees (100% reimbursement). Examination fees for failed attempts will be reimbursed at 50% after a scholar resits and passes the failed part/examination.

Failed resit attempts will be sponsored only twice throughout the contract tenure. These claimable resits can be utilised for the same part/examination. Should there be any further resit attempts the scholar will have to fund it on their own.

Notes:

- Yayasan Peneraju will only fund the above items for the current module the candidate is undertaking and onwards upon conferment of the Peneraju Spesialis programme enrolment. Any past modules taken prior to the enrolment are not claimable.

** Yayasan Peneraju has the right to change any sponsorship terms and conditions that have been declared.*

*** There will be an allocation set for reimbursement of tuition/preparatory course fees and study material costs for each part.*

As the sponsorship is provided on a reimbursement basis where scholars will be funding the costs associated with the certification upfront, we strongly recommend applicants to study the costs involved in the certification process e.g., exam registration fees, study material costs etc.

Candidates are required to pay all costs incurred by Yayasan Peneraju on their behalf. The amount will be calculated by Yayasan Peneraju up to the point of termination/withdrawal.

No. Unless a candidate breaches the contract or is not able to complete the programme within the stipulated contract duration.
